

# Beauchief Planter

## Highly attractive recycled plastic planter

Made entirely from post-consumer recycled plastic, the Beauchief range of planters are sure to add a sleek and chic element of design to any garden or urban landscape. Available in **square** or **rectangle** shapes and a range of heights and widths, there's sure to be one which fits your next project. With absolutely **no wood** fibres in the makeup of the plastic, these beautiful planters will never rot, split or require any maintenance or painting, keeping them looking their best for many years without effort or upkeep. The complete Beauchief planter range is available with or without light-reflectors, making them suitable for roadside use and in extra-urban areas.
