

Forced Action Mixers

SoRoTo - The Original & Best Forced Action Mixers

SoRoTo are manufacturers of the original forced action mixer. All SoRoTo mixers have been specially designed and manufactured to provide you with a machine that is **effective, reliable, easy to use, safe** and most importantly **long lasting**. Every mixer is built with durability in mind to ensure it can last the test of time on even the harshest and most demanding of construction sites. We stock a wide range of mixers that vary from a super-portable 40L machine, which is ideal for indoor work and can mix over 90kg of material to the gargantuan 300L forced action mixer which can produce up to 700kg of material and is perfect for large commercial projects.
