### APPLICATIONS

#### CONSTRUCTION SITES

RecoPly can be used on construction sites as a temporary flooring, hoarding boards and more

#### FLOORING

RecoPly's many benefits make it the ideal flooring product for in your home, in sheds and so many more locations

#### BATHROOMS

As it is water and rot resistant, RecoPly is the ideal product for use in all bathrooms or shower rooms.

#### SPORTS ARENAS

RecoPly is a great addition to the external and internal walls of a sports arena like a hoarding board.

#### ANIMAL ENCLOSURES

RecoPly can be used as the external wall or flooring in animal enclosures as they are rot resistant and easy to clean

#### FURNITURE

As RecoPly is workable like wood, it can be used to create furniture such as wardrobes, benches or picnic tables

**FULLY RECYCLED**  
Each RecoPly board is manufactured from 100% recycled plastic waste that may otherwise be sent to landfill

**WATER & ROT PROOF**  
Being made of plastic & containing no wood means no water can be absorbed & prevents rotting

**VERSATILE**  
The many benefits carried by RecoPly make it a versatile product that can be used indoor & outdoor, commercially & domestically

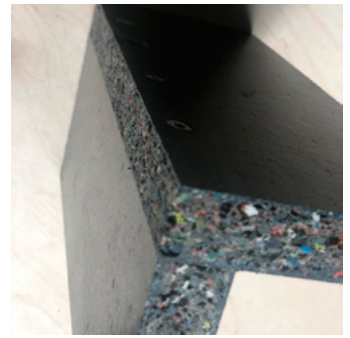

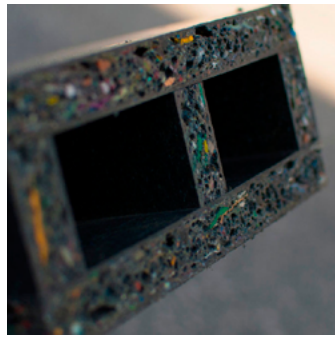

**WORKABLE LIKE WOOD**  
Each RecoPly plastic board can be sawn and affixed the same as traditional plywood boards

**REUSABLE**  
When used as hoarding or similarly, RecoPly can be reused and retain its integrity even after years use

**COLOURS**  
RecoPly can be supplied in a number of colours including: black, grey, blue, red and green.

**MAINTENANCE FREE**  
Unlike plywood boards that may need sanding and staining, RecoPly does not require any maintenance
